Gracious approval of His Highness was obtained recently for the appointment of an elected non-official President for the Mysore City Municipal Council

With this change, it appears necessary and desirable that there should be a Municipal Commissioner to function as the Chief Executive of the City Municipal Council There is provision in the City Municipalities Act for the appointment of a Municipal Commissioner as the Chief Executive who exercises powers specified in Section 245 of the said Act

The powers of Government in respect of matters relating to City Municipal Councils are specified in Chapter XII of the Act

The questions arising from the appointment of an elected non-official President for Mysore City Municipal Council, were considered at a meeting of Council held on 17th November 1947, when the following resolution was recorded -

> " The Council is of opinion that a Commissioner may be appointed for the Mysore City Municipal Council who will function as such, from the time the non-official President is elected "

Proposal to appoint a Commissioner for the City Municipal Council, Mysore

1) In the papers submitted herewith, the approval of H Highness has been obtained to the proposal to appoint a Municipal Commissioner for Mysore City, and the Government has been pleased to direct that the appointment should be made by the Government

2) The Municipal Commissioner is to be appointed for the term of three years, but may be removed from office at any time by the Government

3) The future tenure of office has been fixed in order to avoid the disadvantage of appointing an officer for short periods only, which would be the case if the appointment of a Municipal Commissioner were left open to renewal from time to time

4) It was considered whether a provision should be made in the rules for the payment of a gratuity to the Municipal Commissioner on the completion of his term of office, but it was decided that no such provision was necessary
